RESPONSE TO INTERVIEW SUMMARY

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

This is in reply to the Interview Summary (PTOL-413) mailed November 4, 2004 which set Saturday, December 4, 2004 as the deadline for response. Accordingly, this response is believed to be timely filed and no extension of time is believed to be necessary.

Applicants confirm that on October 28, 2004, Ex. Ungar telephoned the undersigned to indicate that she had taken care of the "Printer Rush" by addressing two IDS submissions. Applicants thank the Examiner for her indication that the references in the two submissions do not anticipate, or render obvious, the claims as previously allowed.

CONCLUSION

In view of the foregoing, the allowed claims remain allowable. Applicants urge that the instant application be allowed to progress toward issuance as quickly as possible.

If the a teleconference is believed to expedite prosecution of this application, please telephone the undersigned at 858-350-6151.

Respectfully submitted,

Kawai Lau, Ph.D.
